

Perry Court E-ACT Academy Equality and diversity objectives 2015 – 2018

Objective	Impact
To use and implement the findings of the Teaching and Learning audit for Equality and Community Cohesion with regards to developing the PSHE curriculum.	Whole school now uses the Jigsaw programme of learning, using floor books to evidence learning and show children have a better understanding of equality and diversity.
To acknowledge the existence of racism in the world and taking steps to prevent it.	Class, phase and whole school assemblies have addressed the topic of racism. PSHE lessons discuss race and support children in understanding that we are all unique but should all be given the respect and kindness (see Safe Guarding mapping provision.)
