Reception Term 1

## All about me!

This term our topic is 'All about me'. We will explore our similarities and differences, making lots of new friends and learning about each other and our families.

Can you think of one thing about your family or yourself that makes you unique? E.g: I have 3 brothers

In the curriculum area understanding the world we will learn about our 5 senses and how we use these to explore the world around us.

Can you list the 5 senses? What is each sense used for?

In the curriculum area people and communities, we will be thinking about important past and present events; e.g: a birthday or starting school.
