

Reception Class Knowledge Organiser - Term 3

What might vehicles look like in the future? UFOs? Flying cars?

Home challenge: Find a picture of yourself on holiday and bring it in to show the class.

This term our curriculum topic is 'Journeys.' Throughout this topic we will be discussing different modes of transport include new, old, real and fictional. We will also be exploring shape and materials by constructing our own vehicles. We will also have the opportunity to design our very own futuristic mode of transport.

- ## Word Bank
- transport (train, bus, plane, coach, car)
 - past
 - present
 - future
 - journey
 - memories
 - -holiday

Our key text will be "The Gingerbread Man." We will be learning the story, acting it out as well as writing and reading phrases from the story. We will be creating our very own gingerbread men!

In the curriculum area '**Understanding The World**' we will Share and reflect on our own special times and places we have been. We will also identify and talk about old and new transport and how transport has changed over time.
