

Knowledge organiser Term 4 - Reception

Forests and Jungles

Research at home:

What animals live in a jungle?

Can you find out a fun fact about an animal to share with the class?

In our curriculum topic 'Forest and Jungles' We will be discussing key features such as weather and animals of both environments. We will explore patterns in nature and in our own environment. As well as this, we will learn all about exotic animals and their habitats, and we will discuss how animals move by exploring this through dance.

Our core text will be Monkey puzzle by Julia Donaldson.
