Monday 26th February– National INSET day.

Monday 4th March– World book day

Monday 18th & Wednesday 20th March– Parents evening

Thursday 28th March– Last day of term

Monday 15th April– Back to school

Our theme this term is...

Traditional tales.

This term we will focus on Traditional tales. We will listen and join in with different tales and also act out some of our favourites. Our book for the term is 'The Three Little Pigs'.

We will also be incorporating them into all areas of our learning through out the nursery.

Hopefully the weather will start warming up, so we will be exploring our outdoor provision a lot more. Please still bring your child in a coat as we never know when the weather might change.

This term our book is called 'The Three Little Pigs. We will be focusing on this book for the term and focusing a lot of our activities around it. This book is easily accessible online for your child to listen to and for you to read at home.

Please make sure you label everything that belongs to your child including water bottles. They seem to be going missing a lot and unfortunately do not have names on.

Please keep reminding your children of the rules about toileting, we are working very hard in nursery trying to make sure children are using the toilet and also running a session. All children should be toilet trained by this point.
