

# Nursery Newsletter - Term 5

As we hopefully enter some sunnier weather please ensure that your children's jumpers and cardigans are labelled as this is the time of year they take them off and then misplace them, if they aren't named this makes returning them to you super tricky! Please also include a labelled water bottle in your child's daily bag as we want to ensure they remain hydrated.

Even though we hope this lovely sunshine is here to stay, a coat is still a good idea for those April showers. We appreciate your support with this.

## **Dates for your diary:**

Monday 15th April - back to school

Monday 6th May - Bank Holiday

13th - 16th May - Key Stage 2 SATs

Friday 24th May - End of Term.

Monday 4th June—Term 6 starts

Please make sure your child is bringing their bookbag daily - this is good practise for when they head into Reception and helps assist the staff if we can't get books changed on a Monday.

We will be looking at 'Growing' this term and will be getting some class caterpillars to observe and release once they transform into butterflies.

We will also be planting a range of seeds from cress to sunflowers and watching as they sprout and grow - we will be bringing these home at the end of the term to continue growing over the Summer period.

We welcome Mrs Holloway this term who will be working in Nursery now that Mrs Phillips has started her maternity leave. We look forward to being able to share our learning with her and all the lovely activities we get to do in our class!

**\*\*REMEMBER** we share this learning fortnightly on our class blog on the school website.
